

## Experience Letter for Internship

### TO WHOM IT MAY CONCERN

This is to certify that Samuel Okundalaiye has successfully completed an internship as a MEAN Web Developer at ITHENA. The internship period was from November 1, 2022, to September 30, 2023. Throughout this period, Samuel exhibited a strong work ethic, a dedication to continuous learning, and made a tremendous contribution to our leading product, iGemba.

In addition to gaining hands-on experience with MongoDB, Express.js, Angular, and Node.js, Samuel has adeptly learned and applied the Sprint and Agile methodologies to enhance the efficiency and effectiveness of our product development cycle. His ability to quickly adapt to our iterative development process and active participation in sprint planning, daily stand-ups, sprint reviews, and retrospectives have significantly contributed to the timely delivery of high-quality features for iGemba.

Samuel's teamwork, problem-solving skills, and his contributions to iGemba have been immensely valuable to the success of the product. His grasp of Agile principles will undoubtedly benefit his future endeavors in the tech industry.

We hereby recognize his achievements and commend his commitment during his time with us at ITHENA.

Given this 30th day of September 2023.

Sincerely,

*Ankit Srivastava*
